

At *chimborazo* our desire is to introduce our guests to the traditional cuisines of Ecuador and the Andean Highlands. We serve hearty dishes familiar to Ecuadorian family tables.

Marcos Pinguil, the owner and chef of *chimborazo*, came to Minneapolis from the Cañar Sierra via the tropical coast where, from a young age, he learned to prepare dishes from Ecuador's varied regions.

In local indigenous lore, Chimborazo volcano represents Taita (Father), while the neighboring volcano represents Tungurahua (Mama). Otavaleño textiles and traditional Quichua music bring the spirit of the Andean Highlands to your dining experience.
